

**CV-CC Series**

**CV-CC**  
**BATTERY CHARGER**

OIL & GAS REFINERY

POWER & ENERGY

TELECOMMUNICATION  
& DATA CENTERS

INDUSTRIAL  
AUTOMATION

DEFENCE

RENEWABLE  
ENERGY

## Features

- MODE OF CHARGING : CV CC
- AUTOMATIC CHANGEOVER FORM CV CC
- HIGH EFFICIENCY WITH OPTIMIZED POWER CONVERSION
- SOFT START
- WIDE RANGE INPUT VOLTAGE RANGE

## AVAILABLE VARIANTS

| BATTERY VOLTAGE | CHANGING VOLTAGE | CHARGING CURRENT   |
|-----------------|------------------|--------------------|
| 12VDC           | 0-15VDC          | CUSTOMIZABLE RANGE |
| 24VDC           | 0-30VDC          |                    |
| 48VDC           | 0-60VDC          |                    |
| 110VDC          | 0-150VDC         |                    |
| 180VDC          | 0-220VDC         |                    |
| 220VDC          | 0-300VDC         |                    |

WE ALSO PROVIDE CUSTOMIZE SOLUTION

H.O. & Factory : Plot No. A-426 & 427, Road No. 28, Wagle Estate, MIDC, Ram Nagar, Thane West - 400604, Maharashtra, India
